*Community Development seeks home rehabilitation contractors to participate in CDBG-HIP, our program for owner-occupied home repair.*

The CDBG Home Improvement Program (CDBG-HIP) uses federal CDBG funds to perform necessary home repairs for owner-occupied one- and two-family units, in order to address safety and health hazards, as well as abate code violations. The Division of Community Development seeks home rehabilitation contractors to participate in CDBG-HIP. Please review the program requirements and download the application at the links below.
